FOSTER

Choosing the right rabbit will reward you and your family with years of unconditional love and companionship.

We urge you to take some time to consider the type of rabbit that will best fit your lifestyle and to remember that rabbit ownership is not a decision that should be taken lightly.

Owning a rabbit means taking on the responsibility of caring for the rabbit through its entire life, which in many cases can mean a 12-year commitment.

Special Request: If your rabbit will be alone (without the company of people or another rabbit or animal) we recommend that you adopt a second rabbit as a companion.

The following information is requested so that we can best assist you in the selection of a rabbit companion.

In assuming the adoption goes through, I agree to never physically abuse him/her, nor will I allow another other person to do so.

Our goal is not only to find you a bunny, but really match you with a bunny that's right for you. Each bunny has their own unique temperament and we look forward to working with you to find that special "somebun" who you love and who loves you right back.

FOSTER POLICY

PRIMARY CAREGIVER

When a rabbit is fostered out by Save A Bun Rabbit Rescue, the primary caregiver must be a responsible adult.

SOCIAL REQUIREMENTS

If the rabbit is going to be alone (example; without the company of people and of household pets for long periods of time) we then recommend that the fosterer foster a second rabbit as a companion to the first rabbit they are fostering.

RETURNS

If there are problems with the foster rabbit(s), the fosterer is required to return the rabbit(s) to the rescue immediately.

EXCHANGES

Save A Bun Rabbit Rescue does not exchange rabbits.

EDUCATION

It is a requirement to go through the foster education program.

FEES

Daily costs to care for the rabbit is the responsibility of the fosterer. Vet care will be covered by the rescue as long as the rabbit is taken to the rescue's vet, Eastgate Pet Clinic at (208)336-3278, Dr Metos.

FOSTER PERIOD

The foster period is three months long. At the end of the three months it is required for the fosterer to make the decision of either returning the rabbit or to go forward with the adoption, at that point of choosing adoption the adoption fee is to be paid.

FOSTER

I agree that I am fostering the rabbit for Save A Bun Rabbit Rescue and that I do not have any rights of ownership over the foster rabbit.

I will allow a reasonable amount of time for the rabbit to adjust to a new environment

Save A Bun Rabbit Rescue will cover any veterinary expenses for the rabbit, provided that the care is pre-approved by Save A Bun Rabbit Rescue. The bunny is then taken to Save A Bun Rabbit Rescue's vet. I agree that in the case of an emergency, I am to make every attempt to contact Save A Bun Rabbit Rescue.

If the rabbit is lost or stolen I am to notify Save A Bun Rabbit Rescue and I am to make every attempt to recover the rabbit.

I will NOT give or sell the rabbit(s) to another person, relative, or any other individual, or another rescue/shelter.

I will not remove the rabbit's microchip

I will immediately notify Save A Bun Rabbit Rescue in the event of the rabbit's death during the foster care period, if it were to happen.

I will immediately notify Save A Bun Rabbit Rescue of any changes to address, phone number, or email address.

I will immediately notify Save A Bun Rabbit Rescue if I need to return the rabbit(s) to the rescue for any reason.

I will immediately return the rabbit(s) in my foster care to Save A Bun Rabbit Rescue at the request of Save A Bun at any time and for any reason.

Should I decide to adopt the rabbit(s), I will notify Save A Bun Rabbit Rescue and follow the adoption process.

will not release adopted rabbit(s) into community.

FOSTER

I agree to foster the rabbit(s) at my own risk, and indemnify and release Save A Bun Rabbit Rescue of any and all liability arising from damages to person(s) or property caused by the foster rabbit(s).

If Save A Bun Rabbit Rescue is forced to take action to enforce this agreement, I agree to indemnify Save A Bun Rabbit Rescue for all court costs and attorney's fees connected to such action.

I understand that after the 3 months is up I am required to make the decision of either returning foster rabbit(s) or adopting the rabbit(s).

How did you hear about Save A Bun Rabbit Rescue?

Why do you want to get a rabbit from us?

The rabbits that are available for adoption came to the rescue from a variety of sources. All rabbits are examined upon entry, and their health is routinely monitored while at the rescue. However, there is always the chance that the rabbit is incubating a disease without showing any clinical signs as such Save A Bun Rabbit Rescue is not responsible.
